To whom it may concern,

. We have had the pleasure of having Darren and Kristen Lambert come perform at our facility on several occasions. I have to admit they are probably the MOST anticipated entertainment we currently book.

Darren really schmoozes the crowd and gets them to become active participants instead of allowing them to just sit idly back and listen. They will also make a special effort to accommodate a specific theme for party. I don't mean singing Carols for the Christmas holiday (even though they do, & not just the run of the mill, everyone knows them songs, either).

I mean; we had a Hoodie Hoo party (Tell Winter to Leave) and not only did they come dressed in summer clothes (appropriate attire for this theme) they even re-worded a popular tune to reflect our displeasure with the cold and snow....."Take this Snow and Shovel it, It's Not Welcome Anymore".

HILARIOUS! We are having a Pirate party soon on "Talk Like a Pirate Day" and I'm eagerly anticipating their participation. They take an event, (i.e. Birthday party, Holiday) and make it spectacular. After a performance here, the clientele rave about them for days. I highly recommend you give the Lambert duo a try. The expense is reasonable and you will not be disappointed.

Sincerely,

Kim Glatfelter

Center Director
